THE DAY OF THE APOLOGY

Grade 9

MAIN IDEA
With years of persistence, courage, strength and determination, Aboriginals presented the Canadian Government with facts and dire issues facing former residential school students. This resulted in a formal apology by the Prime Minister of Canada, Stephen Harper. On June 11, 2008 awareness of a very dark chapter of Canadian History came to light. Apologies and admittance from the Canadian Government regarding its role in the forced assimilation of First Nations, Inuit and Metis children and the serious intergenerational impacts of the legacy of residential schools was brought forth to all Canadians. Sadly enough, this was the first time some Canadians had ever heard of residential schools, which happened over one hundred (100) years ago.
